

Kathy's Hot Sauce

Kathy brings the heat AND flavor with her line of hot sauces. From mild to **HOT** and everything in between. There's a flavor to please most any palate and we use the most popular pepper varieties including cayenne, Thai chili, scotch bonnet, Trinidad scorpion, habanero, and datil.

But as much as we love heat, a hot sauce must have great flavor. Whether it's a sweet Thai chili, or a tasty blend of garlic and cayenne, or the fresh taste of mangoes, or a habanero infused flavor reminiscent of Sriracha. We've got something for everyone!
